Heroes in training! Season power!

.

Here we Go! It's the new great fighting team

On the scene, cool teens doing awesome things

So extreme, into action like a laser beam

Get rocked with the shell shock pizza kings

.

Can't stop these girls and dudes

The secret of the ooze, make the chosen few

Emerge from the shadows to make their move

The good guys win and the bad guys loose

.

Jack Frost is the leader in blue, does anything it takes to get all
his friends through

Hiccup the Dragon Trainner, has the way with machines

Merida has the most attitude on the team

And Rapunzel. She's one of a kind, and you know where to find her
when it's

party time

The other guardians taught them every single skill that they need

To be one brave and great "Big Four" team

.
